CHÂTEAU
SAINTE-MARIE

CADILLAC

AOC Cadillac

Soil: Clay and limestone

Planting Density: 5000 to 6000 feet/Ha

Yield: 4 bunches/ft

Consulting Oenologist: Hubert De Boüard

Winemaking: Successive sorting, picking in crates, fermentation in barrels

Ageing: 12 months in French oak barrels

Blend: 100% Sauvignon

Tasting Notes: Beautiful powerful nose of candied apricot yellow fruits, beeswax and fruit paste. It is a wine that manages to combine harmoniously power and sweetness.

Ageing potential: 7 to 10 years

Opille et Stéphane Dupuch
